Dear Valued Customer(s),

Re: Change of Trade Name

We are writing to inform you that our Co-Amoxiclav antibiotics which were previously known as “Clavomid 375” and “Clavomid 625” respectively have changed the trade name to “Remedica Co-Amoxiclav 375” and “Remedica Co-Amoxiclav 625” respectively. See below the changes involved:

MAL09042415AZ
DKSH Product Code: 100649248

MAL09042415AZ
DKSH product code : 101218722

MAL09042416AZ
DKSH Product Code: 100649249

MAL09042416AZ
DKSH product code : 101218764

You may notice that the packaging and label of the medication have been updated to reflect this change of trade name. Apart from the name change, all other aspects of the products remain the same. Please be assured that this name change does not affect the quality, efficacy, or safety of the products. “Remedica Co-Amoxiclav” contains the same active ingredients and is made by the same manufacturer.

We will stop selling “Clavomid” brand of antibiotics from 31st May 2023. For the “Clavomid” stocks in your possession, should you want a replacement to the new packaging, we are happy to offer an one-to-one exchange.

If you have any questions or concerns about this name change, please do not hesitate to contact us. Our Medical Representative are always available to assist you with any inquiries you may have.

We would like to take this opportunity to express our gratitude for your continuous support to Eucogen throughout the years.

Best regards,

Chan Kar Ming
